

Michaelmas 2022 Activity Brochure

HILL HOUSE SCHOOL

Life outside the classroom should be rich and rewarding. School years are an important time for trying out new skills and activities, which can give lifelong pleasure. Hill House offers a very full and vibrant programme of extra-curricular activities, which are additional to those offered as part of the normal school day. Over 100 activities are offered each term, which take place either before school, at lunchtime or after school, most of which are included in the school fees. A small number of activities have a charge, activities such as horse riding, tae kwon do, ballet, tap, Kixx and RuggerEds.

Please note that whilst most activities are allocated on a random selection process, not first come first served, horse riding and tae kwon do will give priority to those who have been attending the activity previously.

Some activities such as sports and music may already have a compulsory list which means that pupils are allocated to the activity. These will take priority over other choices. If a pupil is selected for more than one activity on an evening, one activity will take priority for senior school pupils. The activities that take priority are the following. Monday is music, Tuesday is sports, Wednesday is drama, Thursday is academic and Friday is Duke of Edinburgh.

Please take a look and then log in to the Parent Portal to make your booking selections from Tuesday 23rd August 2022. Your requests will be processed, and you will be informed of your allocations before the start of next term.

If you encounter any problems, please email it@hillhouse.doncaster.sch.uk. Activities commence on Tuesday 6th September 2022 and will run until Friday 16th December 2022 inclusive.

£

If you chose an activity with this next to the name this means, there is an extra charge for choosing this activity. Please read the description of the activity for further information.
