1. GENERAL INFORMATION FOR ALL PARENTS

Our Mission

We educate, develop and inspire the whole pupil, now, and for life.

Our Values

We are ambitious for our pupils.

We celebrate both outstanding academic performance, and success in all areas of school life.

We value participation, perseverance and the embrace of challenge.

We promote traditional characteristics such as respect, decency and integrity.

We strive to give pupils of all backgrounds the chance to benefit from the many opportunities provided by Hill House.

Our Aims

To provide full and enriching opportunities, a curriculum of balance and substance.

To instil in pupils a lifelong love of learning, ambition and resilience in facing the challenges they will meet.

To offer a supportive and friendly community, where everyone is known and treated as an individual, within a framework of encouraging and disciplined pastoral care.

To enable our children to become confident, capable and compassionate people, who will develop into adults with independent minds and a proper sense of values, service and responsibility.

To be an innovative yet traditional, co-educational, 3-18 northern day school.

A) INTRODUCTION

Parents should feel free to discuss matters concerning their child at any appropriate time. It is better for us to know of any worries than to be ignorant of them.

At Hill House, staff provide good lessons, a full education and look to develop the skills and character needed to be fulfilled, both at school and in later life. Pupils join in this process by working hard, following the rules of our community and above all by showing respect, care and consideration for others.

The school has policies for all aspects of school. Key policies are included in this handbook. If you would like to see any other policies, please ask at the School Office.

B) HOUSES

The school is divided into four houses; Field (green), Master (red), New (purple) and School (blue). There are inter-house events throughout the year. There is a reward system whereby pupils may earn house points for good work, effort or behaviour.

C) SCHOOL UNIFORM SUPPLY

Purchase of school uniform is via the online supplier (www.schoolblazer.com) or via the link on the Hill House website. New parents will be required to register their child's details in order to set up an account.

Uniform must be labelled/named.

2. ARRIVALS & DEPARTURES

E) PUNCTUALITY

Pupils are expected to be punctual for school and for all lessons, which commence at 8.40am. Any pupils arriving at school after registration should go to Reception to be marked present. **Unnotified or unauthorised absence will be recorded as unauthorised on the pupil's school record.**

If leaving before the end of the normal school day, pupils must sign out. If leaving and returning they must remember to sign in again on their return.

F) SCHOOL TRANSPORT

Pupils from Reception upwards are able to use school transport, both for journeys to and from school, and for events in the school day, on the understanding that behaviour is good. Routes are published on the school website. Journeys can be booked via the school's Baton Route App.

Full risk assessments are carried out to assess the levels of supervision needed. Any pupil who misbehaves on any school transport can cause unpleasantness, inconvenience, and danger. Misbehaviour on school transport can lead to a pupil being banned from using school transport, either temporarily or permanently. Seatbelts must be used at all times on school transport.

Younger pupils may be given a 'Bus Buddy', a responsible pupil from the senior school to ensure their journey is an enjoyable one. For EYFS, parents will be made aware of the procedure for transporting their child to and from school and be asked to sign an acceptance form. This will make it clear when parents' responsibility for the children commences and ceases. This will usually be when they are met or delivered to the vehicle and handed over to the school staff at the various pickup and drop off points. Records about vehicles in which children are transported, including insurance details and a list of named drivers are kept.

G) PARKING

Parents coming to school to visit the office or for a meeting are welcome to park in the Turning Circle car park on the far side of Sixth Avenue. Entry is then via the green gate by the hockey pitch, and then via Reception at the front of school. There is no vehicular access to the front of the school.

The school has 4 car parks for different usage:

I) AFTER SCHOOL

Wrap-around provision to 6.00 pm is available by arrangement (extra charge). Tea is included. Pupils not collected by 5.00pm will automatically be taken to Wrap-around, for

which an extra charge is incurred.

On dark winter nights Junior School pupils from Year 5 and below should be collected from the Junior Playground or, in the case of bad weather, the Junior Music and Drama Studio.

J) PREP

Any pupil not collected by 4.10pm will join Prep. To avoid disruption, all pupils in Senior Prep must remain in the Library until 5.00pm.

K) ABSENCE

If a pupil is ill, notification should be by telephone **before 8.30 am on the first day of the illness**. This may also be achieved via My School Portal

A full list of school holidays is provided well in advance. Holidays should be taken within these dates to avoid affecting the pupil's progress. **The law does not allow holidays in term time** except in exceptional circumstances; in these cases, parents are strongly advised to ask for permission before booking, to avoid disappointment.

If a child contracts an infectious disease, including head lice, conjunctivitis and impetigo, the school should be informed at once and the situation discussed. Children with infectious diseases should not be brought to school and medical advice should be sought concerning the exclusion period.

All pupils are expected to maintain a minimum attendance rate of 95%.

3. CALENDAR

L) TERM DATES

These are fixed in consultation with other schools and authorities and are published over a year in advance. They are also available on the school's website.

M) CALENDAR

Every family is issued with a school calendar each year. The calendar is also available on the school website. Parents are warmly invited to attend any event, which include school productions, concerts, matches, and to the varied social and fund-raising functions organised by the Friends of Hill House. Your support is much appreciated.

N) HOLIDAY CLUB

Hill House has an activity programme during school holidays. Exact dates and fees are

available from the school office and website.

- The children are cared for by qualified and experienced members of staff.
- Hours of opening are 8am until 5pm, including breakfast.

O) FRIENDS OF HILL HOUSE

This is a very strong and supportive Parents' Association, which meets regularly and holds events throughout the school year. Proceeds from many past events have been donated to the school and used to enhance and extend the range of equipment and resources available.

4. WELFARE

P) FOOD AND DRINK

All pupils from Reception to Upper Sixth attend **school lunch**. Vegetarian and vegan options, salad bar and soup are also available as well as the main meal. Halal meat is available on request.

The menu for the week is displayed throughout the school and on the school website. The school does not allow packed lunches. Any requests for special arrangements, on dietary or medical grounds, should be addressed to the Bursar.

Pupils may bring **still water** in a small bottle for drinking in the classroom. There are also water machines for the refilling of water bottles. **Disposable plastic bottles are not allowed in school.**

The school promotes healthy eating and therefore suggests this is reflected in snacks brought to school. No food is to be eaten during lessons, or while walking around school. Please do not send anything containing **NUTS** as we have pupils in school with severe nut allergies.

Chewing gum is not allowed on the school site; any pupil who disregards this rule will serve an appropriate punishment involving community service.

Q) SAFEGUARDING

The Designated Safeguard Lead is Mrs Christine Havard, Senior Mistress. Mrs Rachael Scott-Simons is the Deputy DSL. Both are available to parents via the School Office.

We take our responsibilities for ensuring the safety and well-being of all our pupils very seriously and we are legally obliged to contact the local Social Services Department about any pupil whom we feel may be at risk.

All members of staff have undergone enhanced checks with the Disclosure and Barring Service.

Entry to all areas of school is through secure controlled-entry doors. For safeguarding

reasons, parents are asked to enter the building only via Reception. Junior and senior pupils should enter the building at the start of the day unescorted. All visitors to school must report to Reception where they sign in and receive a visitor's badge.

R) PHOTOGRAPHS & VIDEOS OF PUPILS

The school takes photographs of pupils from time to time, which may be used within school, in news stories including the local press, the school website, school social media accounts, and occasionally in marketing material. Video footage may also be taken and used in the same way. This is carefully managed and scrutinised by the school office and marketing department.

Parents understandably enjoy seeing images of their children. When pupils join the school, however, parents are able to request that photographs of their children are not taken. Where the school publishes photographs of school events on social media, it is not possible for the school to ensure all relevant pupils are featured.

The school does not prohibit parents, within reason, from taking photographs and video of their children at school events. For safeguarding reasons, however, the school does not allow such images to be posted on parents' social media if they feature pupils other than the parent's own child.

S) IF A PUPIL IS WORRIED

Bullying is any action or behaviour repeated over time which causes one to feel frightened, threatened, hurt or damaged in any way. Hill House does not accept any form of bullying.

If a pupil is worried about something, they are encouraged to talk to someone – Prefects, Tutor, Class Teacher, Headmaster, Deputy Head, Head of Juniors, Head of Seniors or any other member of staff. They are also encouraged to talk, telephone or write to one of the following:

- Parents
- Child line 0800 1111
- There are also concern boxes around school, and a web-based worry box called Tootoot, where pupils may leave notes for SMT members to read and act upon.

T) MEDICAL CARE AND MEDICINE

If a pupil is unwell or has an accident in school, then the parents will be informed by telephone. If the parents are not available, one of the emergency numbers you gave the school will be contacted.

The Children Act 1989 provides that teachers have a duty of care towards the children under their supervision, as well as promoting the safety and welfare of the children in their care. The level of this duty of care is measured as being that of a 'reasonable parent.' The Health and Safety at Work Act 1974 puts a further obligation on the school as a whole to safeguard the wellbeing and safety of pupils in its care. The school has, in addition, sought written permission from parents to deal with any pupil in an emergency.

Any minor ailment or injury is dealt with in school. The great majority of staff have been trained and qualified to administer First Aid.

If you have given permission on the Pupil Profile form, then Paracetamol/Calpol will be administered to your child if necessary. We will contact you for your information.

Should your child need to bring any medication into school, it MUST be given to the School Office who will administer it according to the instructions given on the medication form, which needs to be completed and signed by the parent on arrival at school.

For health and safety reasons all medicine should be brought to school in the original packaging.

Younger asthma/allergy sufferers must give their medication/epipens etc to their form teacher. Senior School pupils should keep their inhalers/epipens with them at all times. A spare inhaler/epipen should be stored in the school office and exchanged regularly to ensure it is in date.

A copy of a child's care plan should be provided to the school office.

U) HEALTH AND SAFETY

Fire drills are carried out on a regular basis. Hill House has a procedure to deal with a missing pupil. Risk assessments are carried out and updated on all aspects of school life on a regular basis and steps taken to resolve any issues or concerns.

The Health and Safety at Work Act makes it a criminal offence to interfere with safety equipment or otherwise to put at risk any member of the school, whether pupil, teaching staff or workman, etc. Pupils must behave responsibly, at all times, by showing concern for personal safety and for the safety of others, and by always behaving in a reasonable manner. This includes using all facilities with care. Specifically, pupils must:

- Follow the instructions given.
- Always use the correct tools and equipment and use safety equipment and protective clothing when appropriate.
- Keep tools and equipment in good condition and report any defects in plant and equipment to the teaching staff.

Pupils are accountable to teaching staff for their actions on school premises. They can assist by suggesting ways of eliminating hazards, and must always report accidents causing injury, damage, loss or any dangerous incidence to the member of staff in charge.

5. CONDUCT & APPEARANCE

V) CONDUCT

The reputation of the school and its members depends on the conduct, manners and appearance of each of its members. These personal qualities are developed at school, but our efforts need to be supported at home. Your help is much appreciated.

Discipline and reward systems are in place and are designed to offer positive reinforcement to the children. Should the need arise, there is an agreed procedure to discipline a child and to ensure that parents are informed.

School rules are kept to a minimum and pupils are encouraged to work hard and behave sensibly, responsibly and with good manners.

At the end of the school day all pupils are expected to leave school premises correctly attired in full school uniform. In special circumstances, and upon request, the Headmaster may grant permission for individuals to leave in casual clothing. Behaviour and dress, to and from school, must be exemplary.

CHEWING GUM

This causes expensive damage to clothes, furniture and carpets. It is not allowed at any time in school. Contravention of this rule leads to community service.

SMOKING

Hill House is a no smoking school; this applies to all staff, parents and children. This is totally prohibited, both on the school site and in its immediate vicinity. This includes e-cigarettes.

Pupils must not eat or drink while walking around the school site.

DANGEROUS ITEMS

Dangerous items such as penknives and laser pens are strictly banned. Pupils should not bring spray deodorants to school.

The telephone in the office is available for pupils in emergencies only. Should a parent feel it is essential for a child to bring a mobile telephone into school, the mobile phone **must, below the Sixth Form, be handed in** on arrival and collected at the end of the school day. **Failure to hand in a mobile phone will result in its confiscation.** For a first offence, the telephone will be kept for one week. For a further offence, it will be kept for the remainder of the half term, or longer as appropriate.

SOCIAL NETWORKING

Members of the school are expected to use social networking sites responsibly and should not bring the school into disrepute through social networking. Pupils should not refer to the school, or publicise photographs etc, of other pupils or staff on any social media. **Any instances of pupils doing this with negative consequences will be dealt with seriously.**

W) PERSONAL PROPERTY

Pupils should not bring to school large amounts of money, tablets, or other expensive equipment. Any of these items brought in by accident, should be taken to the Housemaster/Housemistress or Head of Junior School for safekeeping. School is not the place for precious belongings. The school cannot accept responsibility for loss or damage, and it is recommended that any such equipment be insured under the family policy.

- **Make-up is not allowed**, except for a discreet amount for girls at Year 9 and above. Any make-up which draws attention to itself is inappropriate. **Nail varnish or extensions are not allowed.**
- **Hair**, including eyebrows, should be of its own natural colour. Wearing of **hair products** including gel, wax mousse etc. is not permitted, nor is braiding, highlighting or artificially colouring hair.
- **Skin** should be of its own natural colour. Use of fake tan, coloured moisturiser, sunbeds or other ways of changing skin colour is not permitted.
- Any hair style which draws attention to itself through colour, style or length is inappropriate. Tramlines etc must be avoided. Pupils with such a style can expect to be asked to remain at home until the problem is rectified.
- Girls' hair should be neatly tied back (in school colours or navy/black), and boys' hair should be above the collar, eyes and ears.

REPORTING TO PARENTS

HILL HOUSE SCHOOL

Complaints Procedure

Introduction

It is the School's policy to ensure that parents with a grievance relating to their child's education can use a procedure that can help to resolve problems as quickly and fairly as possible. This procedure applies to all areas of the school, including Early Years Foundation Stage.

This policy is available to parents (via the Parent Handbook) and prospective parents (via the Prospectus)

Stage 1 (Informal)

If a parent has a grievance they should discuss it initially with the relevant Teacher, Tutor, Head of Department, Housemaster/Mistress or Senior Manager. We hope that the majority of concerns will be resolved in this way. Such concerns will normally be dealt with within one week.

Stage 2 (Formal)

If the problem remains unresolved, parents will be invited to write to the Headmaster about the complaint. He will then arrange a formal meeting normally within 10 days to discuss the complaint and parents may be accompanied by a person of their choice, if they so wish; this does not include legal representation. Following this meeting, the Headmaster will give a written response normally within 10 working days. Complaints concerning EYFS will be dealt with within 28 days.

Stage 3 (Panel)

If, having completed the above stages, the problem remains unresolved, parents may approach the Governors in writing via the School Office. If the complaint is against the Headmaster, parents should make their complaint directly to the Governors in writing via the School Office.

The Chairman (or Deputy) will then convene a Complaints' Hearing. This will take place normally within the next 14 days, and constitute a panel of 3 persons, at least one of whom will be independent of the management and running of the school. None of the panel will be involved in the issues specific to the complaint. Parents may attend the hearing, and be accompanied if they so wish; this does not include legal representation.

The Complaints' Panel will make findings and recommendations, which will be given in writing to the parents, Headmaster, and, if applicable, the member of staff about whom the complaint has been made. This will normally be done within 10 working days of the Hearing. The Governors' decision is final.

Persistent Correspondence

Where repeated attempts are made by a parent to raise the same complaint after it has been considered at all three stages, this can be regarded as vexatious and outside the scope of the policy.

Record Keeping

A record of complaints is kept for at least 7 years, including details of at which stage a complaint was resolved. Records concerning allegations of abuse must be preserved for the term of the Independent inquiry into Child Sexual Abuse and at least until the accused has reached normal pension age or for 10 years from the date of the allegation if it is longer.

All meetings will be documented. A written record of all Complaints' Panel Hearings and Recommendations will be kept by the Headmaster and be available at school to the complainant.

All correspondence, statements and records relating to individual complaints are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 162A of the 2002 Act, as amended, requests access to them. The record of complaints in EYFS will be made available to OFSTED and ISI on request.

Other Bodies

Parent can also contact OFSTED (Royal Exchange Buildings, St Ann's Square, Manchester M2 7LA) or the Independent Schools Inspectorate (CAP House, 9 - 12 Long Lane, London EC1A 9HA, Telephone 020 7600 0100) to make a complaint.

School Fee Plan

If a parent wishes to make a complaint relating to the School's credit broking activities or the sale of School Fee Plan, they should send details to the School Bursar. The School will then notify the Premium Credit Limited (PCL) Compliance Team. All investigations, enquiries and communications with the complainant will be conducted by PCL, therefore the School will not attempt to discuss or resolve complaints directly with the complainant. PCL will send a Summary Resolution letter for complaints resolved by the close of three business days. If a complaint cannot be resolved in three business days PCL have eight weeks to investigate and resolve a complaint to be in line with Dispute Resolution rules (found in the Financial Conduct Authority handbook).
